INTRODUCTION

We are pleased to present the accrual-based consolidated financial statements and the stewardship statement of the Government for the financial year 2022-23.

2. The accrual-based financial statements are prepared in addition to the annual cash-based accounts and present the overall financial performance and position of the Government. The stewardship statement describes in terms of physical measurements the major physical assets (i.e. buildings, infrastructure assets and land) employed by the Government for the delivery of public services.

3. We hope the information in these statements will generate better understanding and promote greater awareness of public finances in the community. An electronic copy of these statements is available at our website (www.try.gov.hk).
