#### (ii) Land for public housing

Total area of the land occupied by public housing estates and light public housing was 15,977,203 m<sup>2</sup> (2024: 15,902,103 m<sup>2</sup>) as at 31 March 2025. Public housing estates include retail, welfare and carparking areas, schools, public transport interchanges, local open spaces, free-standing Government institution and community facilities, etc. and areas that are not developable, such as green belts and steep slopes. The land area of the entire site is included wherever there are rental units / facilities occupied. The Vesting Order boundaries of public housing estates often cover a larger area than the actual development areas since the Vesting Orders are determined based on administrative considerations.
