#### REPORT OF THE DIRECTOR OF AUDIT

# **Independent Audit Report To the President of the Legislative Council**

I certify that I have examined and audited the financial statements of the General Revenue Account set out on pages 20 to 32, which comprise the statement of assets and liabilities as at 31 March 2015, and the statement of receipts and payments for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Director of Accounting Services' responsibility for the financial statements

In accordance with section 16(1) of the Public Finance Ordinance (Cap. 2), the Director of Accounting Services is responsible for the compilation and supervision of the accounts of the Government of the Hong Kong Special Administrative Region, for the management of accounting operations and procedures, and for ensuring that all regulations, directions or instructions made or given under the Public Finance Ordinance relating thereto and in respect of the safe custody of public moneys and its accounting are complied with.

#### Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 12(1) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used by the Director of Accounting Services, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements of the General Revenue Account for the year ended 31 March 2015 are prepared, in all material respects, in accordance with the Public Finance Ordinance and section 11(1) of the Audit Ordinance.

#### NOTES TO THE FINANCIAL STATEMENTS

#### 1. Purpose and Legislation

- (i) The Public Finance Ordinance (Cap. 2) provides for the control and management of the public finances of Hong Kong and for incidental and connected purposes. The General Revenue Account records moneys raised or received for the purposes of the Government (except where provided otherwise in other Ordinances) and appropriations of expenditure in accordance with the Appropriation Ordinance and the Supplementary Appropriation Ordinance.
- (ii) The Statement of Assets and Liabilities and the Statement of Receipts and Payments of the General Revenue Account constitute the statement of the assets and liabilities and the annual statement of the receipts and payments of the Government as specified in section 11(1)(a) and (b) of the Audit Ordinance (Cap. 122). These Statements exclude the assets and liabilities and the receipts and payments of the Funds established under section 29 of the Public Finance Ordinance, viz Capital Works Reserve Fund, Capital Investment Fund, Civil Service Pension Reserve Fund, Disaster Relief Fund, Innovation and Technology Fund, Land Fund, Loan Fund, Lotteries Fund and Bond Fund, for which separate financial statements are prepared.

#### 2. Accounting Policies

- (i) The General Revenue Account is kept on a cash basis. Transactions are recorded when moneys are received or paid. The Statement of Assets and Liabilities does not include fixed assets, loans, investments other than those made under section 26 of the Public Finance Ordinance, and debtors and creditors other than those covered by sections 20, 21, 22, 23, 24, 27 and 30 of the Public Finance Ordinance.
- (ii) For the purposes of these financial statements, a contingent liability is defined as:
  - (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Government; or
  - (b) a present obligation that arises from past events but is not recognised because:
    - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
    - the amount of the obligation cannot be measured with sufficient reliability.
- (iii) Foreign currency transactions during the year are translated into Hong Kong dollars at the exchange rates ruling at the transaction dates. Foreign currency balances are translated into Hong Kong dollars at weighted average cost.

#### 3. Investments with the Exchange Fund

(i) These are investments and deposits held under section 26 of the Public Finance Ordinance:

|  | 2015<br>HK\$'000 | 2014<br>HK\$'000 |
|--|------------------|------------------|
| Investments (Notes (ii) and (iii) below) | 487,049,458      | 412,705,816      |
| Deposits                                 | 9,072            | 20,011           |
|  | 487,058,530      | 412,725,827      |

#### 3. Investments with the Exchange Fund (Continued)

- (ii) The investments represent the cost of investments together with the investment income received in the year being reported. Effective from 1 April 2007, the investment income is calculated on the basis of the average annual investment return of the Exchange Fund's Investment Portfolio for the past six years or the average annual yield of three-year Exchange Fund Notes for the previous year subject to a minimum of zero percent, whichever is the higher. The annual investment income is receivable on 31 December of each year.
- (iii) Pursuant to the Financial Secretary's directive in December 2014, the HK\$14.84 billion investment income for the calendar year 2014 was set aside and retained within the Exchange Fund as provision for the Housing Reserve, and not received on 31 December 2014. As explained in the 2015-16 Budget Speech, the Housing Reserve is to provide financial resources to meet the ten-year public housing supply target. The investment income retained within the Exchange Fund earns the same rate of investment return as stipulated in (ii) above and shall be receivable on a date as determined by the Financial Secretary.

#### 4. Deposits with Banks

These are Hong Kong dollar and foreign currency deposits placed with licensed banks in Hong Kong for investment under section 26 of the Public Finance Ordinance:

|                  | 2015<br>HK\$'000 | 2014<br>HK\$'000 |
|------------------|------------------|------------------|
| Hong Kong dollar | 93,383           | 97,736           |
| Foreign currency | 1,117,016        | 337,867          |
|                  | 1,210,399        | 435,603          |

#### 5. Cash and Bank Balances

These balances cover cash in hand, in transit, with banks and agents, and with public officers for operating standing or special imprest accounts as provided under section 22 of the Public Finance Ordinance.

#### 6. Advances

Advances are paid under the authority of warrants issued under section 20 of the Public Finance Ordinance for a variety of reasons and are either recoverable or chargeable to expenditure upon authority being given:

| 2015<br>HK\$'000 | 2014<br>HK\$'000                            |
|------------------|---|
| 1,161,991        | 1,161,991                                   |
| 929,763          | 784,376                                     |
| 385,766          | 375,246                                     |
| 399,855          | 352,501                                     |
| 2,877,375        | 2,674,114                                   |
|                  | HK\$'000<br>1,161,991<br>929,763<br>385,766 |

(i) The sum of HK\$1,161.991 million is the outstanding balance of expenditure on Vietnamese migrants recoverable from the United Nations High Commissioner for Refugees (UNHCR). The last repayment, amounting to HK\$3.865 million, was received in February 1998. In January 1998, the High Commissioner for Refugees informed the Government of the Hong Kong Special Administrative Region (HKSAR) that in the absence of further funding prospects, the repayment in February 1998 was the last reimbursement that the UNHCR could realistically foresee. If the UNHCR defaults on repayment of the outstanding advances, the Government of the HKSAR will not be able to enforce repayment through legal means as the UNHCR is immune from suit under the International Organizations and Diplomatic Privileges Ordinance (Cap. 190). Consequently, the full recovery of the amount due is doubtful.

#### **6. Advances** (Continued)

During the financial year 2014-15, the Government of the HKSAR continued to pursue the repayment of the outstanding advances from the UNHCR and to urge it to make renewed efforts to look for donations with a view to settling the amount. So far, the Government of the HKSAR has not received any further repayments.

Efforts to press the UNHCR for early settlement of the outstanding advances will continue.

#### 7. Deposits

These are moneys received from time to time from individuals or organisations under sections 23 and 24 of the Public Finance Ordinance for a variety of reasons and are in due course either repayable or transferable to General Revenue:

|                          | 2015<br>HK\$'000 | 2014<br>HK\$'000 |
