REPORT OF THE DIRECTOR OF AUDIT

Independent Auditor's Report To the President of the Legislative Council

Opinion

I certify that I have examined and audited the financial statements of the Lotteries Fund set out on pages 98 to 103, which comprise the statement of assets and liabilities as at 31 March 2017, and the statement of receipts and payments for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the Lotteries Fund are prepared, in all material respects, in accordance with section 7(1) of the Government Lotteries Ordinance (Cap. 334).

Basis for opinion

I conducted my audit in accordance with section 7(1A) of the Government Lotteries Ordinance and the Audit Commission auditing standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of my report. I have fulfilled the independence and other ethical responsibilities in accordance with those standards. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Director of Accounting Services is responsible for the other information. The other information that I have obtained prior to the date of this auditor's report is all the information included in the Accounts of the Government of the Hong Kong Special Administrative Region for the year ended 31 March 2017 published by the Treasury, other than the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed on the other information obtained prior to the date of this auditor's report, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Director of Accounting Services' responsibilities for the financial statements

Under section 7(1) of the Government Lotteries Ordinance, the Director of Accounting Services is responsible for the preparation of the statement of the accounts which includes a receipts and payments account and a statement of assets and liabilities. Also, in accordance with section 16(1) of the Public Finance Ordinance (Cap. 2), the Director of Accounting Services is responsible for the compilation and supervision of the accounts of the Government of the Hong Kong Special Administrative Region, for the management of accounting operations and procedures, and for ensuring that all regulations, directions or instructions made or given under the Public Finance Ordinance relating thereto and in respect of the safe custody of public moneys and its accounting are complied with.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Audit Commission auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Audit Commission auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Lotteries Fund's internal control; and
- evaluate the appropriateness of accounting policies used by the Director of Accounting Services.

The financial statements of the Fund are prepared in accordance with section 7 of the Government Lotteries Ordinance (Cap. 334).

2. Accounting Policy

The accounts of the Lotteries Fund are kept on a cash basis. Transactions are recorded when moneys are received or paid.
