(B) Cases in 2009-10

Nil

Notes :

- Small-value cases of loss (i.e. those less than \$1,000 each) are excluded from this statement. For fraud or negligence, they refer to case of fraud or negligence by public officers.
- The cases are reinstated in this statement as recovery actions against the staff concerned have yet to be completed, notwithstanding that they were settled in previous years with the payment of compensation to the claimants for the loss of bail money and properties.
