Notes:

- (a) During 2008-09, the Government sold its shareholding in Digital Trade and Transportation Network Limited to Tradelink Electronic Commerce Limited.
- (b) This represents the amount of the scrip dividends issued to the Government in 2008-09.
- (c) With the scrip dividends received during 2008-09, the Government's shareholding in MTRCL as at 31 March 2009 was 76.74%.
- (d) Consistent with the Supplemental Agreement on the Financial Arrangements between the Government and Housing Authority signed in August 1994, land values included in these two items amounting to \$341,485.322 million and \$21,870.725 million respectively are shown by way of note in the accounts of the Housing Authority.
- (e) During the period from 1998-99 to 2008-09, Post Office Trading Fund (POTF) increased its capital to a net total of \$2,495.1 million. The increase was due to the capitalization of its development reserve that had already been spent to finance the acquisition of fixed assets and appropriation of premises from the Government, partly offset by a deduction to recognize the cost of the accumulated untaken leave of its staff as at 1 April 2002 and the return of surplus premises to the Government. The original cost of the Government's investment in POTF remains unchanged.
