Capital Investment Fund

STATEMENT OF INVESTMENTS *(Continued)*

Notes:

- (a) This represents the second of the ten annual instalments from 2010-11 to 2019-20 for subscribing for 1,542 paid-in shares to the Fifth General Capital Increase of the Asian Development Bank.
- (b) This represents an increase in the Government's equity in the Hongkong International Theme Parks Limited, through conversion of loans of HK\$749.562 million from the Capital Investment Fund into equity during 2011-12.
- (c) The Government's shareholding in MTR Corporation Ltd. as at 31 March 2012 was 76.65%.
- (d) Consistent with the Supplemental Agreement on the Financial Arrangements between the Government and Housing Authority signed in August 1994, land values included in these two items amounting to HK\$361,338.195 million and HK\$22,786.799 million respectively are shown by way of note in the accounts of the Housing Authority.
- (e) During the period from 1998-99 to 2008-09, Post Office Trading Fund (POTF) increased its capital to a net total of HK\$2,495.1 million. The increase was due to the capitalisation of its development reserve that had already been spent to finance the acquisition of fixed assets and appropriation of premises from the Government, partly offset by a deduction to recognise the cost of the accumulated untaken leave of its staff as at 1 April 2002 and the return of surplus premises to the Government. There was no such capitalisation from development reserve in the financial year 2011-12. The original cost of the Government's investment in POTF remains unchanged.
